17 AIRCRAFT AND INSURANCE

Each competing aircraft will possess a Certificate of Airworthiness and must be operated in accordance with the aircraft manual.

For all civil aircraft using the airspace of the South Africa Republic, liability insurance has to be concluded with respect to damages caused by operation of that aircraft to the third parties covering a minimum amount in SDR (Special Drawing Rights) or an equivalent value of any other freely convertible currencies, for the aircraft with MTOW as mentioned below:

- | | |
|----------------------------------|---------------------------------------|
| a) MTOW up to 1000 kg | 1.500.000 SDR (approx. 1.800.000 EUR) |
| b) MTOW above 1000 kg to 2700 kg | 3.000.000 SDR (approx. 3.600.000 EUR) |

Each competing aircraft must be insured against 3rd Party Public Liability claims with a minimum amount as mentioned above according to MTOW. Aircraft arriving in the South Africa Republic must be able to present the policy **with a copy in English, certified by the Insurance Company.**

Pilot Excess insurance to the value of R 25 000 will be compulsory on aircraft rented through the organisers. If competitors have existing insurance, a certificate of validity for South Africa will be required, alternatively this can be arranged by the organisers.

Emergency locator transmitter ELT must be carried on board all aircraft flying out of the aerodrome control zone.

Health and Injury Insurance is entirely the Participant's own responsibility. The Organiser or South Africa Republic cannot take any responsibility for personal injury or health issues for the participants.

18 LANDINGS

Video recording will be used during every competition landing as approved by the GAC for Rally.

19 ARRIVALS
